## Annual Message to the Community

### 2017 was another busy year at the LPL!

Our talented librarians and other staff always strive to provide the best service to you. We've enhanced library programs by adding more outdoor programming on the terrace, drop-in community service opportunities for teens, and TASC (high school equivalency) classes. We launched our new annual author program with a visit from bestselling author Nelson DeMille. We expanded our collection: you can now borrow Chromecasts, hotspots and Kindle Paperwhites, and we added Kanopy, another streaming video service. We launched a seed library, Longwood Grows. Our first Earth Day Fair was held, following the commemoration of the library's LEED Platinum building award. We began work on the new Learn & Play children's sensory garden, located near the terrace. We installed our first Little Free Library at Bartlett Pond Park.

Many new services are planned for the coming year:

- The opening of the Learn & Play Garden this spring
- A new, mobile-friendly, accessible website
- More equipment and gadgets to borrow
- The introduction of the Longwood Collective, an online archive of photos taken around our community

We will hold our **Annual Budget Vote and Trustee Election on Tuesday, April 10**, from 8:00 am to 9:00 pm. The Library Board of Trustees is pleased to announce that there will again be no override of the state tax cap. The Board will hold a budget information meeting on Wednesday, March 28 at 7:00 pm. Petitions for library trustee are due by 5:00 pm on Monday, March 12, and information about trustee candidates will be available in the library and on our website shortly thereafter. If you have any questions about the budget or the library, please contact Library Director Lisa Jacobs, at (631) 924-6400 x275, or by email at [lisa@longwoodlibrary.org](mailto:lisa@longwoodlibrary.org).

The Library Board of Trustees is committed to offering excellent library service while keeping the budget below the state-mandated tax cap. We thank you for your support throughout the year, and ask you to come in to the library and **vote on April 10**.

#### Olive Kitteridge

by Elizabeth Strout

Thursday, March 15 at 3:15 pm

At times stern, at other times patient, at times perceptive, at other times in sad denial, Olive Kitteridge, a retired schoolteacher, deplors the changes in her little town of Crosby, Maine, and in the world at large, but she doesn't always recognize the changes in those around her: a lounge musician haunted by a past romance; a former student who has lost the will to live; Olive's own adult child, who feels tyrannized by her irrational sensitivities; and her husband, Henry, who finds his loyalty to his marriage both a blessing and a curse. As the townspeople grapple with their problems, mild and dire, Olive is brought to a deeper understanding of herself and her life—sometimes painfully, but always with ruthless honesty. *Olive Kitteridge* offers profound insights into the human condition—its conflicts, its tragedies and joys, and the endurance it requires.
