# 2018 The Year in Review

## Annual Message to the Community

2018 was another banner year at the LPL! Our talented and enthusiastic staff always strives to provide the best service to the Longwood community. This year we launched our very popular Equipment & Gadgets collection, which includes such varied items as wifi hotspots, drones, lawn games, telescopes, sewing machines and so much more! We continued our new annual author program with a visit from bestselling author Sara Paretsky. We introduced a new, accessible and mobile-friendly website at [longwoodlibrary.org](http://longwoodlibrary.org). And we were thrilled to open the incredibly popular Learn & Play children's garden, located near the terrace.

We will hold our **Annual Budget Vote and Trustee Election on Tuesday, April 2**, from 8:00 am to 9:00 pm in the Library Community Room. The Library Board of Trustees is pleased to announce that the proposed operating budget for **2019-2020** is below the NYS tax cap. It is estimated that the adoption of this budget will raise the library's tax rate to \$15.01 per \$100 of assessed valuation. This would increase the average homeowner's tax payment by \$9.71 per year.

The Board will hold a budget information meeting on **Wednesday, March 20 at 7:00 pm**. Completed petitions for library trustee are due by 5:00 pm on Monday, March 4, and information about trustee candidates will be available in the library and on our website shortly thereafter.

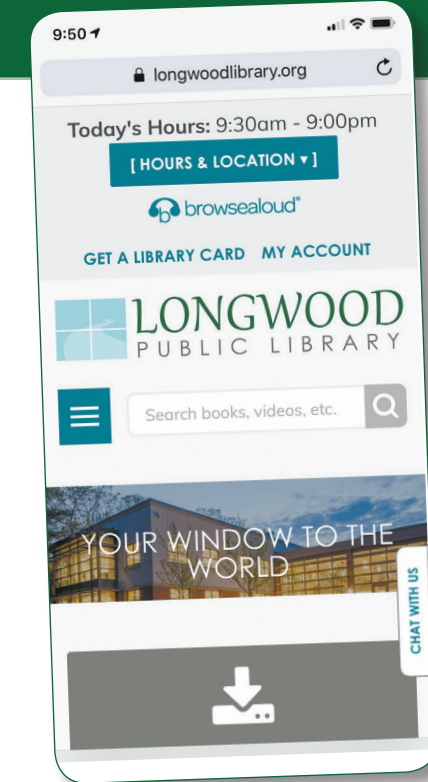

If you have any questions about the budget, the trustee election or the library in general, please contact Library Director Lisa Jacobs, at (631) 924-6400 x275, or by email at [lisa@longwoodlibrary.org](mailto:lisa@longwoodlibrary.org).

### Please Vote

The Library Board of Trustees is committed to offering excellent library service while keeping the budget below the state-mandated tax cap. We thank you for your support throughout the year, and ask you to come in and vote on April 2.

It is estimated that adoption of the Proposed Budget would increase your property taxes as follows:

Impact of Proposed Increase	
Assessed Value of Home	Annual Additional Cost
\$2,000	\$8.51 per year
\$2,280 (district average)	\$9.71 per year
\$3,000	\$12.77 per year

### A Few Statistics from 2018
