Library Update

As the weather grows warmer and more people get vaccinated, we are hopeful that things will continue to improve and more normalcy will return to our lives. The library is open during regular hours for browsing and borrowing materials, asking reference questions, using computers or wifi, copying/faxing/scanning, and limited seating. The Terrace and the Learn and Play Children's Garden will also be opening this spring. With the exception of children under age 2, masks must be worn in the library as well as in these outdoor spaces, at all times.

We are excited to be planning some in-person outdoor programming for this summer. We will have a tent on our back lawn for programs at the library, and we are planning events at parks and other outdoor locations in the area. As always, we will be monitoring health metrics and guidance from public health experts as we make our plans.

We are committed to offering library materials, programs and services as safely as possible during this time. We will continue to offer curbside service and virtual programming for those who prefer those options.

Thank you for helping us keep our staff and community healthy.

Annual Budget Vote & Trustee Election

The library's **2021-2022** budget vote was held on **Tuesday, April 6**. We are pleased to report that the budget passed, **325 YES to 116 NO**. Victor Massian, Jr. was re-elected to a five-year term on the Board of Trustees. *Thank you for your support.*

Friends Donate \$10,000 to Longwood Public Library

Friends of the Longwood Public Library work in cooperation with the library to provide financial support for programs and special projects that enhance library services to the community. New York State Law prohibits the library from engaging in commerce, thus limiting the institution to available Federal or State funds and voted budget propositions. There are several programs offered at the library that are totally or partially supported by the Friends membership dues and fundraising activities. Join the Friends today! You can find the application form on the back of this newsletter and online at longwoodlibrary.org/friends.
